S8- The effect of vasopressin injection on ovarian reserve in patients who had cystectomy for ovarian endometrioma; a new insight RBMO

S9- Successful laparoscopic sigmoid transposition for cervicovaginal agenesis in presence of functional uterus, The Journal of Minimally Invasive Gynecology

S10- Does Laparoscopic Hysterectomy Decrease the Ovarian Reserve more than Total Abdominal Hysterectomy? A Cohort Study, BMC Women's Health

### **Prepared Journals:**

M1- Study the patients who underwent laparoscopy salpingostomy according to recurrence of ectopic pregnancy and fertility rate from 2009 to 2016 in referral centers of Shiraz, Iran.

M2-Randomized clinical trial to compare laparoscopic cystectomy versus IVF for unilateral endometrioma on fertility outcome in endometriotic infertile women.

### **Conferences:**

C1-Oral presentation in 12th international congress of OB&GYN 810 OCT 2015, Razi international congress center Tehran, Iran. Abstract.

C2-Pooster presentation in 4th international women health congress by health policy research center, Shiraz, Iran. 20-21 MAY 2015.

C3-Pooster presentation in debatable topics on OB&GYN infertility.17-19 FEB 2016.Shahid Beheshti university international conference center ,Tehran, Iran

C4- Pooster presentation in 15th international congress of OB&GYN 5-6 OCT 2016, Razi international congress center Tehran, Iran.

C5-Oral presentation in 2nd international congress of minimally invasive GYN&OB and 13th international congress of OB&GYN, 1922 JAN 2017, Razi international congress center Tehran, Iran. Abstract.

C6-Oral presentation in 14th international congress on OB&GYN.10-13 OCT 2017, Razi international congress center, Tehran, Iran. Abstract.

C7-Oral presentation in 6th Asian congress of endometriosis and 6th international congress of minimally invasive surgery, 22-24 NOV 2017, Shiraz, Iran. Abstract.

C8- Oral presentation in 8th Asian congress of endometriosis and 8th international congress of minimally invasive surgery, 28-30 AGU 2019, Pattaya, Thailand. Abstract.

C9- Oral presentation in 8th Asian congress of endometriosis and 8th international congress of minimally invasive surgery, 28-30 AGU 2019, Pattaya, Thailand. Abstract.

C10-Cons and prons of endometriosis at time of covid 19 webinar .2 MAY 2020

C11-Oral presentation about imaging in endometriosis in15 th endoscopic and minimally invasive surgery congress.Ahwaz university.30.Bhman 1398

C11- Oral presentation about imaging in endometriosis Endoscopic surgeries seminar : IMAGING IN ENDOMETRIOSIS .November 2019,Tabriz IRAN

C12- Oral presentation about sclerotherapy in 9 th international congress of reproductive medicine and student award 2021.March

### **Workshops:**

- Course of emergency medicine preparations
- Course of ATLS and emergency care (beginner & advanced )

- Course of first and second trimester of pregnancy sonography in 5th international perinatal congress , Shiraz, Iran
- Course of management of high risk pregnancy by minimally invasive surgery research center, Iran university of medical sciences, Tehran, Iran.
- work shop of single port laparoscopic suturing in 8th Asian congress of endometriosis and 8th international congress of minimally invasive surgery, 28-30 AGU 2019, Pattaya, Thailand.
- SEUD master class ,6-7 DEC 2019 Paris

**Languages:**

- Persian (Native)
- English (Competent user)
- French & Arabic (Modest user )
